

WMD Crime Scene Management for Emergency Responders(AWR-103)

The objective of this course is to provide emergency responders with an understanding of crime scene procedures. Responders will also learn how to assist in crime scene protection and interact with crime scene investigators. This Awareness Level course was developed to serve the needs of emergency responders previously untrained for responses to weapons of mass destruction (WMD) crime scenes

Wednesday, July 6 2005

California National Guard Joint Forces Training Base (JFTB)
11200 Lexington Drive, Los Alamitos CA 90720
Inside the base, go to Building 6, Room 214

Valid professional ID is required for course participation

RSVP
